

Hi Neighbor, I see that you are ready to shake those Winter "flakes and chill" off because Spring is here; grass is growing higher, trees are sprouting their buds for the leaves to grow and flowers are starting to bloom; that means pollen will be in the air, but it's still the springtime of the year: winter will try a couple of more times to upset us but it's done.

ANNOUNCEMENT: For those of you who would like to see some of the work being done at **DUNBAR HIGH**, beginning at 3:30pm until 6:30pm on Wednesday the 10th of April 2013 you may register for one of several tours of the new buildings on campus, **PLEASE** arrive early to get hard hats and glasses with gloves if necessary.

ANNOUNCEMENT: Ms. Mautez Lovet, liason for Congresswoman Norton reports that, **ONLINE**, applications for Scholarships for DC students are being made by The Congressional Black Caucus Foundation Scholarship Fund. They have two deadlines:

1. **CBC Spouses Visual Arts Scholarship**, deadline is the 2nd of May 2013
2. **CBC Spouses Hieneken USA Performing Arts Scholarship**, deadline is the 2nd of May 2013
3. **CBC Spouses Education Scholarship**, deadline is the 6th of June 2013

OBSERVATION: my compliments to all of the members who have worked very hard to maintain the upkeep of our property / complex; although, we still have a very few whose habits are still questionable in **BULK TRASH removal**. Spring also means the removal of home items or property that are no longer usable or needed; Management and the Board ask that when you place these items next to the dumpsters that you do this a day or two **before** it's to be picked up and not having it sit next to the dumpster four or five days at-

tracting PESTS. That means Feral or wild cats and Opossum maybe a Raccoon will be using the items for their benefit; lets not get to that point please.
